Abbott Laboratory for confirmation. The drug test report was later received, confirming a positive drug test result for amphetamine and methamphetamine.

U.S. Probation Officer Action:

Mr. Zambrano completed a substance abuse evaluation at Comprehensive Healthcare on March 4, 2022, and treatment services were not recommended at that time. Mr. Zambrano has not been referred to complete an updated substance abuse assessment because treatment services would not be recommended, as he is not admitting to the drug use. However, Mr. Zambrano has maintained housing with family, stable employment at Terra Blanca Vineyards, and is reporting to the probation office as instructed. At this time, it is respectfully recommended no action be taken for the aforementioned violation as Mr. Zambrano has been placed on increased reporting to the probation office, to include increased drug testing. To date, Mr. Zambrano's drug tests have been negative and he is aware any additional violations will be reported to the Court.

I declare under penalty of perjury that the foregoing is true and correct.
